

TalkingPHONICS Pack 1 (3-6 years)

This beautifully illustrated resource is packed with sounds, songs and games, all designed to support practitioners and parents in their understanding and delivery of early phonics to young children. The RecorderPEN gives instant access to a huge range of sounds; children will love exploring the charts and cards, while developing their sound discrimination skills. Children are encouraged to make their own recordings, listening to phoneme sounds and then recording their own versions.

What's in the Box

Each child takes turns to touch the box, listen to the sound and touch the corresponding object.

Environmental Sounds

Explore this scene packed with sounds from the road, the fair, the seaside and the wood. Then match the sounds that you hear to the picture.

Farmyard Sounds

Match the sounds to the animals. Then match sequences of sounds. See if you can complete the tune by touching the right animal.

Animal Orchestra

Listen to the animals play! Match the sounds to the instruments, and then match sequences of sounds. You can even record your own song onto the poster.

Dancing Animals

Meet Freddie Frog's friends and listen to the sounds they can make. Feet stamping, tummy tapping, knee knocking... Hear 5 nursery rhymes featuring parts of the body and then match the sound patterns that the animals make.

Fairytale Voices

Help Felix Frog on his journey, meeting some familiar faces along the way. Listen to the different characters and then see if you can match the voices.

3 Letter Objects

Explore the poster and find all the three letter words. The poster is packed with rhyme and alliteration: a pig in a wig and a hen in a hat... More advanced children can even have a go at making up the words from the phonemes at the top of the poster!

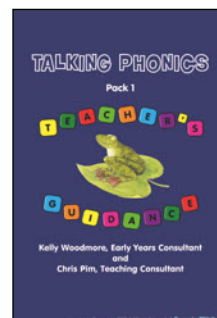

I Spy Alphabet

Match the initial letter sounds to the pictures. Then listen to a silly sentence for every letter of the alphabet.

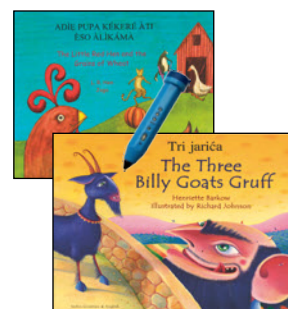

Flashcards and Game Boards

Touch the flashcards to hear the words and the phonemes that make them. Hear a rhyming sentence on the back of each card. Then play Snap, Odd One Out and Bingo with the game boards.

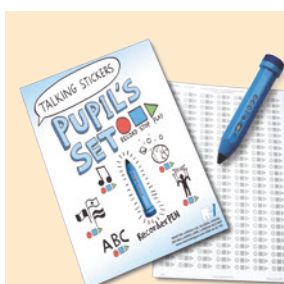

Guidance Booklet and Video

The pack includes a guidance booklet and a video with instructions on teaching phonics and using the PEN.

Talking Books

The pack includes two Talking Books filled with sound and activities. Listen to the story read aloud and let children record their own sounds and role playing. There are key words in the back of each book.

Recordable Labels

This pack contains a set of Recordable Labels.

See the Recordable Labels section for more information on these stickers.
